REQUEST TO WITHDRAW ABANDONMENT

The communication of November 10, 2005, holds the above application abandoned because responses were "not fully responsive" or "does not correspond to the last Office Action mailed on July 8, 2004." This is incorrect.

The Action of July 8, 2004, (1) objects to claim 4 for multiple dependence and (2) rejects claims 1-12 from APA art.

William R. Evans
(type or print name of person certifying)

The response of October (7) 12, 2004, (1) points out the error in the Action with respect to claim 4 and (2) traverses the rejection from APA art.

Therefore, full response and correspondence with the last Office Action, which was not final, is of record, and abandonment must be withdrawn.

It may be noted that the Request for New Action the Office admits receiving July 27, 2004, remains unanswered, while the basis for a new Action in the Request of October 12, 2005, remains, because the Office's ability to reconstruct the facts from its erroneous Action does not change the error that is in the Action to require its replacement in another non-final Action..

Further, the communication of November 10, 2005, errs in referring to replies of July 12, 2005 and October 12, 2005. No such replies have been filed.

Respectfully submitted,

William R. Evans
